

September 7, 2022

Greetings Girard Families,

I would like to take this opportunity to introduce myself and express my excitement about my position as your Family Engagement Coordinator. I am a graduate of The State University of New York, where I completed my Bachelor of Arts degree in American Studies with a minor in Communications. Upon graduation, I worked for the New York City Department of Corrections.

After encouragement from my family, I decided to pursue my childhood dream. In September, I will celebrate my 22nd year of serving children and their families in various positions in the New York City Public School System and Woodbury School District in New Jersey. My biggest accomplishment was serving as the first ever Parent Coordinator of Public School 299 in Brooklyn, New York. I love spending time with my husband, two children and grandson.

In my role as the Family Engagement Coordinator, I will serve as the liaison between parents/guardians and Girard College. In partnership with the Achievement Team, Residential Life Team, and the Family Engagement Association (FEA), I will support the needs of the Girard Families. As your primary point of contact, if there are any questions or concerns, please reach out to me first by phone or email.

Throughout the year you will receive various emails regarding events and workshops that you are invited to attend. I am a firm believer that strong home and school connections is a huge part of student success. Let's work together and make this year one to remember!

Best Wishes,

La-Tonya Williams-McLaurin
Family Engagement Coordinator
